☰ Description

Founded in 2019, the Centre for Applied Pharmaceutical Science and Research (CERASP) supports the pharmaceutical sector through applied research and drug production. As a College Technology Transfer Center (CCTT), CERASP's mandate is to assist SMEs and serve as a bridge between colleges and industry to better align academic programs with industry needs.

Key Collaborations/Partnerships

John Abbott College, Cégep Gérald-Godin, Network (Synchronex) of College Technology Transfer Centers (CCTTs), Health Canada, Government of Quebec, Economic Development Canada, City of Montreal, NSERC, Quebec Ministry of Economy and Innovation, Quebec Ministry of Education and Higher Education, Prima, CRIBIQ, Natural Products Canada (NPC), Proteo, Montreal InVivo, Women in BIO, CQDM.
